Brisbane North Institute of TAFE

## Project management for professionals

**Do you have the skills to cope with increasingly competitive business situations?**

### **BSB51504 Diploma of Project Management**

The practical nature of this course will provide individuals with the core underpinning knowledge and baseline skills to plan, execute, monitor, control and close a project.

#### **Delivery**

On-site delivery to meet organisation requirements

- half-day (3hr) workshop sessions x 19 weeks
- full-day (6hr) workshop sessions x 8 weeks, or a combination of half and full-day workshops.

#### **Overview**

The knowledge and skills of project management are not confined to any particular industry sector. Rather, the knowledge and skills-set gained throughout this program is applicable to positions in any industry. Contextualisation occurs when the individual applies the generic knowledge and skills-set provided by this program to their specific industry.

#### **Benefits**

The key benefits of the program include:

- endorsement by the peak professional body representing Australian Project Managers – The Australian Institute for Project Management (AIPM)
- all facilitators holding membership of the AIPM
- nationally and internationally qualified and certified industry facilitators who are professionals in the project management field
- training content relevant to any industry and to all types of projects
- 71 per cent of participants in the training program are working on projects relevant to their current work
- key industry guest speakers who share their experiences
- delivery using a non-conventional, holistic and highly successful life cycle approach to project management which reflects a real-world workplace
- mentoring support from industry facilitators via phone and email
- a pathway to Bond University with four credits to a Master of Project Management
- a pathway to undertake the AIPM's Registered Project Manager program
- a pathway to higher levels of university learning when it is combined with the AIPM Registered Project Manager program.
